About Me

Experienced software tester with a proven dedication to precision and problem-solving. Graduated from A-levels in 2023. Former student councilor, showcasing leadership and community-building skills. Actively involved in volunteering for various projects, passionate about making a difference. Teaching at church every Sunday brings me fulfillment, fostering connections and sharing knowledge within the community. With a track record of commitment and enthusiasm, I approach every task with diligence and a drive for excellence.

Professional Experience
